Early Learning Center Holds Wonderland Winter Dance at Lakeview Primary

Oh, what a night! ELC's Winter Wonderland Dance was spectacular! Many thanks to the Juniors and Seniors from Georgia College Early College, Sadeki Cut Master D Snead, Omar & Shenerika Rozier, and Lakeview Primary School! Everyone looked amazing and we hope you had a great time dancing the night away!

Lakeview Academy Recognizes Ms. Georgia Freeman as ESS Paraprofessional of the Month

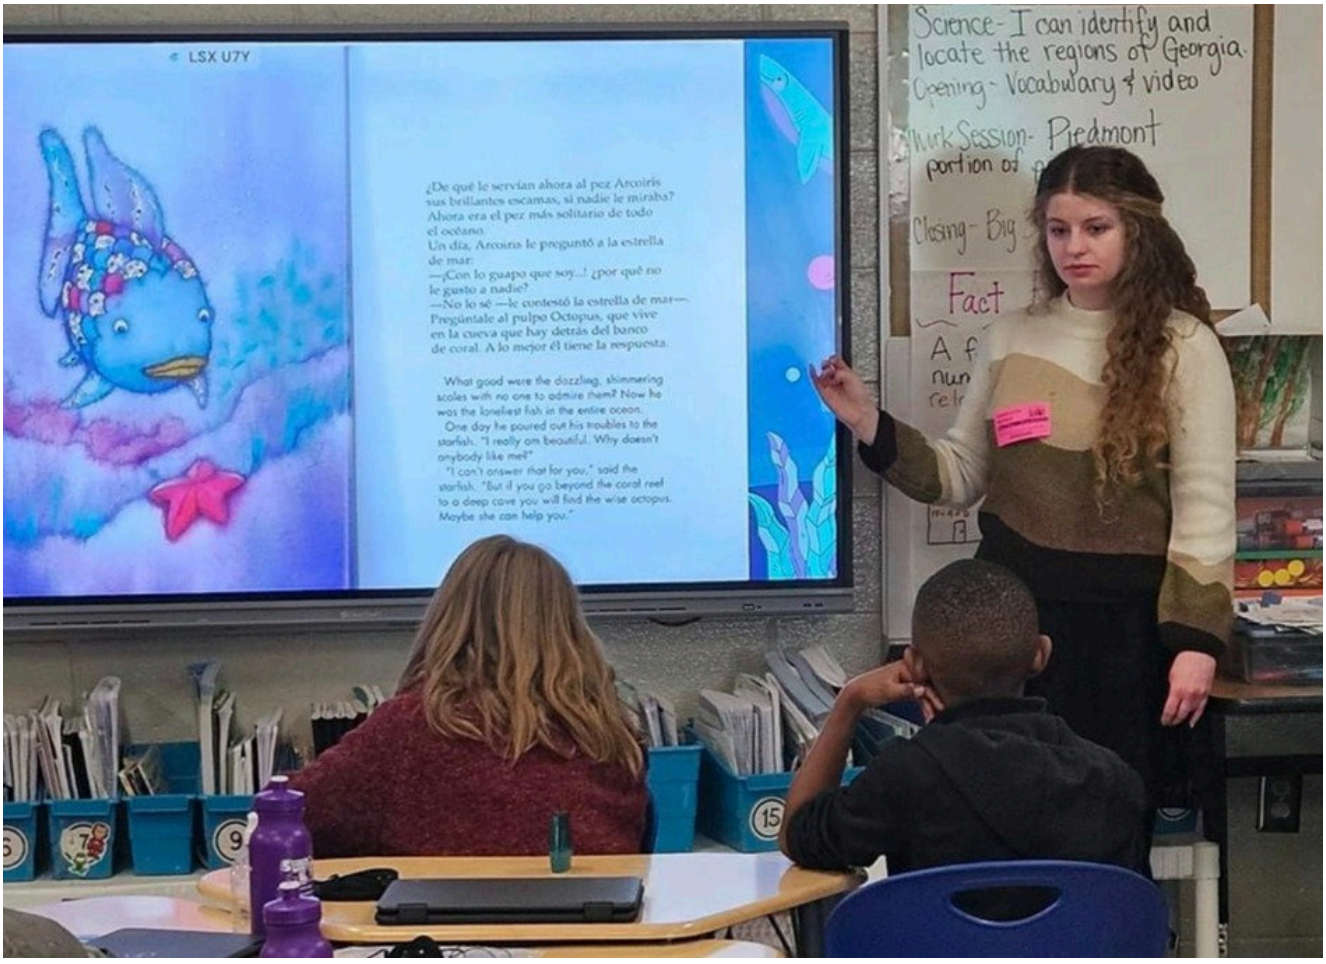
Congratulations to Ms. Georgia Freeman, our dedicated ESS Paraprofessional of the month! In this crucial role, Ms. Freeman plays a vital part in our school's Exceptional Student Services (ESS) program. ESS Paraprofessionals, like Ms. Freeman, provide invaluable support to students with diverse learning needs.

As an ESS Paraprofessional, Ms. Freeman works closely with teachers and specialists to ensure that every student, regardless of their abilities or challenges, receives the personalized attention and assistance they require. Her commitment to creating an inclusive and supportive learning environment is truly commendable.

Midway Hills Primary Holds its Annual Sneaker Ball

Midway Hills Primary School hosted its annual Sneaker Ball on February 9th, transforming the school into a festive wonderland for a delightful Winter celebration. The event brought together families from the entire school community, creating a warm and inclusive atmosphere. Decked in their finest sneakers and winter attire, students and their families enjoyed a night filled with joy, laughter, and camaraderie.

Midway Hills Academy Welcomes GCSU for Special Spanish Lesson



The Baldwin County School District was super excited to have some awesome students from Georgia College & State University (GCSU) swing by one of our classrooms! Led by the fantastic Mrs. Jenkins and Mrs. Barsby, our third graders had a blast diving into the Spanish version of Rainbow Fish. It was such a fun time filled with games, new words, and big smiles. This kind of cool collaboration between our district and GCSU students is what learning is all about – making it fun, diverse, and full of discovery!

Oak Hill Middle School Students Shine at 2024 GMEA Sixth Grade Statewide Honor Choir

Two talented students from Oak Hill Middle School recently had the honor of representing the Baldwin County School District and the Oak Hill Choral Program at the prestigious 2024 GMEA Sixth Grade Statewide Honor Choir in Tifton, GA on February 9th and 10th. This event brought together over 400 sixth-grade choral students from all corners of the state, creating a harmonious gathering of young voices. The highlight of the two-day event was a spectacular concert featuring five breathtaking pieces, the result of collaborative efforts from these budding vocalists.

BALDWIN ONLINE ACADEMY REGISTRATION IS OPEN

The Baldwin County School District will continue to offer students the option of remote learning by enrolling in the Baldwin Online Academy for the 2022-2023 school year. This option is also available to home-schooled students. Baldwin Online Academy is available to students in grades K-12 who want to have the flexibility of learning from home at their own pace.

Parents may use this LINK to enroll their children in the Baldwin Online Academy (BOA) for the 2023-2024 school year. Students who are already in BOA do not need to complete this form. If you have more than one child, please complete a form for each child. Homeschooled students will need to complete the new student registration process. You will be notified if your child is selected for the Baldwin Online Academy.

Students need to have good grades and attendance to be considered for the online academy (passing 3 out of 4 academic subjects). If there is a medical reason for wanting to enroll online, the parent needs to state this in the reason for enrolling. For any questions, please contact Mr. Antonio Ingram, Director of the BSA/BOA at 478-233-9010 or send an email to antonio.ingram@baldwin.k12.ga.us

FAMILY-SCHOOL PARTNERSHIP PROGRAM

Parents are hearing many different acronyms these days that students are learning at school. This week we would like to share the answers to some frequently asked questions about PBIS, our Positive Behavioral Interventions and supports, from the George Sugai National Center on PBIS Neag School of Education.

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS: QUESTIONS AND ANSWERS

www.pbis.org

George Sugai
National Center on PBIS
Neag School of Education
University of Connecticut
May 29, 2018

1. What is Positive Behavioral Interventions and Supports (PBIS)?

Implementation **framework** for maximizing the selection and use of **evidence-based prevention** and intervention practices along a continuum that supports the **academic, social, emotional, and behavioral competence** of **all** students.

2. What is the PBIS Center?

Established by OSERS, USDoE in 1997 to deliver high quality, direct and indirect technical assistance and implementation support to local and state education agencies across the United States and territories.

3. What do students and staff members gain in PBIS schools?

- All students develop, learn, and enhance their social, emotional, and behavioral competence to support their academic engagement.
- All educators develop positive, predictable, and safe environments that promote strong interpersonal relationships with students through teaching, modeling, and encouragement.

4. What do students and educators experience when PBIS is implemented with fidelity?

- Reductions in major disciplinary infractions and antisocial behavior.
- Improvements in aggressive behavior, concentration, prosocial behavior, and emotional regulation
- Improvements in academic engagement and achievement
- Enhancements in perceptions of organizational health and safety
- Reductions in teacher and student reported bullying behavior, peer rejection, and substance abuse
- Improvements in school climate

5. How does PBIS contribute to the development of positive school climate, school safety, and student-educator relationships?

By establishing positive, safe, caring, and interactive learning environments, educators develop trusting relationships with their students who in turn experience schools as safe and responsive environments where their diverse needs, strengths, and learning are supported.
