

What is a School-Parent Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective components:

- * Link to academic achievement goals
- * Focus on student learning
- * Share strategies that staff, parents, and students can use
- * Explain how parents and teachers can communicate about student progress
- * Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

Opportunities were provided for parents, students, and teachers to share their thoughts in developing this school-parent compact with regards to what is most needed educationally for student success. Parent feedback was gathered through our end of the year survey.

Each year parents, teachers, students, and the school administration have opportunities to review the compact and make changes based on student needs.

**If you would like to volunteer, participate, and/or observe in the classroom, please contact our front office at
478-457-2967.**
