

What is a school-parent compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and home.

Effective Compacts

- Link academic achievement goals
 - Focus on student learning
 - Share strategies that staff, parents, and students can use
- Explain how parents and teachers can communicate about student progress
- List opportunities for parents to observe, participate, and volunteer within the school

Let's Do it Together!

Parents, students, and staff work together to share ideas and develop the school-parent compact. Teachers have met with their subject area teams to design practical strategies for parents to use at home. Parents are needed to provide valuable feedback on their needs to help students, and students are encouraged to complete surveys to add ideas to the compact. We need your input during our annual meetings as we review and revise the compact. Your feedback is also welcome throughout the year.

We're on the same team!

OHMS offers ongoing events throughout the year to provide parents and students access to our staff, including:

Fall & Spring Open House

Parent-teacher conferences

Use of Remind & Dojo

Facebook

Parent Resource Center
(M-F 7:30 - 4:00)

Academic Nights

Annual Title I Meeting

PTO Meetings

Family Engagement Events

To request a conference with your child's teachers, contact the school at 478-457-3370

2024-2025 District Goals

All students will reach high standards at a minimum attaining proficiency or better in English Language Arts and mathematics on the Georgia Milestones Assessment.

2024-2025 School Goals

On the 2024-2025 CCRPI, OHMS will increase the percentage of students scoring in the developing learner or above levels on the Georgia Milestones by 3% percent in all content levels compared to their performance the previous school year.

Areas of Emphasis

Oak Hill Middle School is committed to excellence in all areas as we continue to work diligently to mirror the Baldwin County School District's goals of increasing parental involvement, increasing literacy, and improving the graduation rate.

As a school, we will...

- Encourage parent participation
- Invite parents to share their input in sessions to know how to best equip them to assist their child(ren) at home
- Maintain an open door policy in which parents are invited to share in the educational process of their child(ren)

As parents, we will...

- Take an active role in our child(ren)'s education, including assisting them with homework, projects, etc.
- Attend parent involvement sessions that equip us with useful tools and strategies to help support our child(ren) academically
- Maintain regular contact with our child(ren)'s teachers and actively monitor their progress
- Participate in the parent engagement initiatives and offer input

As students, we will...

- Complete all assignments (with parents help, when possible)
- Ask for assistance and help when we don't understand
- Invite our parents to parent involvement activities
- Use the resources (websites, notes, etc.) to help us master new skills, standards, and concepts

My Goals

My personal goal for math is:

My personal goal for ELA is:

My teacher can help me reach my goal by:

My family can help me reach my goal by:
