Baldwin High School is Branching Out!

Baldwin High School will take the following measures to promote and support parents as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

Ensure that all information related to school and parent programs, meetings, and other activities is published in both English and Spanish, posted on the school Web site, and included in the monthly school newsletter for all parents.

Provide monthly trainings for staff during their planning periods on strategies to improve communication with parents and ideas to increase family engagement. Staff will also share best practices during regularly scheduled faculty meetings.

Keep parents informed of parent-teacher conferences, parent informational meetings, open house and workshops.

The counselor and/or school social worker, in conjunction with the school system's attendance officer, may arrange in-home conferences where appropriate and feasible, with parents who are unable to attend conferences scheduled at school.

Meetings involving parents will be arranged at a variety of times, such as mornings and evenings, to maximize opportunities for parents to participate in school-related activities.

Teachers are encouraged to make contact with parents. Teachers also notify each Student's parents of his/her planning period and other pertinent information should a parent need to contact the teacher.

Provide safe school environment for high quality instructions for students that meets the academic achievements standards in grade level requirements that are outlined by Local and State policy.
