We understand that school bus transportation is a privilege and not a right. We understand that students who are involved in serious or repeated acts of unacceptable behavior on the school bus will have their riding privileges suspended or revoked. During the period of suspension or revocation, it will be the responsibility of the parent/guardian to provide transportation to and from school.

We have been provided with information regarding possible consequences and penalties for failure to comply with compulsory attendance law.

Baldwin County School Acceptable Use Policy

The Baldwin County School District supports the rights of students and staff to have reasonable access, in school, to various information formats and believes it is incumbent upon students and staff to use this educational advantage in an appropriate and responsible manner.

District Technology can be defined as any electronic device, tool, system, service, or other property owned by the Baldwin County School District.

Responsible Use

This policy outlines the guidelines and behaviors that all users are expected to follow when using technology. It is the responsibility of both Baldwin County Schools and parents to help prepare students to be responsible members of a digital society and digital citizens who:

Understand human, cultural, and societal issues related to technology.

Practice legal and ethical behavior online.

Advocate and practice safe, legal, and responsible use of information and technology.

Exhibit a positive attitude toward using technology to support collaboration, communication, creativity, and critical thinking.

Demonstrate personal responsibility for lifelong learning.

Exhibit leadership for digital citizenship.

Policies, guidelines and rules refer to all computing devices including but not limited to computers, mobile web enabled devices, iPads, MP3 players, portable memory storage devices, calculators with interfacing capability, cell phones or electronic communication devices, digital cameras, etc., as well as technology infrastructure, associated peripheral devices and/or software that access the Baldwin County Schools internet/computer network; and all computers and devices owned by the Baldwin County Schools.

Prohibited Use

Unacceptable uses of school electronic resources include, but are not limited to:

1. Accessing or Communicating Inappropriate Materials–Users may not access, submit, post, publish, forward, download, scan or display defamatory, abusive, obscene, vulgar, sexually explicit, sexually suggestive, threatening, discriminatory, harassing, bullying and/or illegal materials or messages.
2. Illegal Activities– Users may not use the school district's computers, electronic devices, networks, or internet services for any illegal activity or in violation of any school district policy/procedure or rules. Baldwin County Schools and its employees and agents assume no responsibility for illegal activities of users while using school computers or school-issued electronic resources.
3. Violating Copyrights or Software Licenses– Downloading, copying, duplicating and distributing software, music, sound files, movies, images or other copyrighted materials without the specific written permission of the copyright owner is prohibited, except when the use falls within the Fair Use Doctrine of the United States Copyright Law (Title 17, USC) and content is cited appropriately.
4. Plagiarism– Users may not represent as their own work any materials obtained on the internet (such as term papers,

articles, music, etc.). When using other sources, credit must be given to the copyright holder. Users should not take credit for things they didn't create themselves, or misrepresent themselves as an author or creator of something found online. Research conducted via the internet should be appropriately cited, giving credit to the original author.

5. Cyberbullying– Cyberbullying will not be tolerated. Harassing, denigrating, impersonating, and cyberstalking are all examples of cyberbullying. Do not send emails or post comments with the intent of scaring, hurting, or intimidating others. Engaging in these behaviors, or any online activities intended to harm (physically or emotionally) another person, will result in severe disciplinary action and loss of privileges. In some cases, cyberbullying can be a crime.

6. Misuse of Passwords/Unauthorized Access– Users may not share passwords; use any user account/password that is not assigned to them; or attempt to circumvent network security systems.

7. Malicious Use/Vandalism– Users may not engage in any malicious use, disruption or harm to the school district's computers, electronic devices, network and internet services, including but not limited to hacking activities and creation/uploading of computer viruses.

8. Avoiding School Filters– Users may not attempt to use any software, utilities or other means to access internet sites or content blocked by the school filters.

9. Unauthorized Access to Blogs/Social Networking Sites, Etc.– Users may not access blogs, social networking sites, etc. prohibited by school administration or the Technology Department. Teachers and students using authorized social networking sites for educational projects or activities shall follow the age requirements and legal requirements that govern the use of social networking sites in addition to the guidelines established in this policy.

10. Degrade System Resources– Users shall not use the network in such a way that would degrade the performance system resources or disrupt the use of the network by others. This includes but is not limited to excessive printing, file storage, online games, and video/audio streaming not directly related to educational projects, as determined by the supervising instructor or school administrator.

11. Unauthorized Equipment– Users may not attach unauthorized equipment, including personal laptops, tablets, and handheld devices, to the district network without permission from the school administration or the Technology Department.

Safety/Security

All users are given accounts upon entry into Baldwin County Schools. Any user account given is intended for the sole use of that user only. Each user is responsible for the security of the system. Passwords should not be shared. If a user shares a password with another, that user will be held accountable.

Users may not reveal personal information, including a home address and phone number, about themselves or another individual on any unsecured electronic medium, such as web sites, blogs, podcasts, videos, wikis, or social networking sites. If users encounter dangerous or inappropriate information or messages, they shall notify the school administration immediately.

Staff may post student pictures on district/ school/classroom "public" websites as long as the student's name or other identifying information is not included. Students' grades, test results, or identifying pictures may be stored only on district-approved secure sites that require a username and password for authorized individuals to access.

Using electronic devices to make video/sound recordings or digital images of others without the consent of those being recorded is strictly prohibited. Restrictions against inappropriate language apply to all communication throughout the district network, including but not limited to public messages, private messages, and material posted on web pages. The use of cameras in any type of electronic device is strictly prohibited in locker rooms and restrooms.

School staff must maintain the confidentiality of student data in accordance with the Family Education Rights and Privacy Act (FERPA).

Students may be issued a school email address to improve student communication and collaboration on school projects. Email shall be used only for educational purposes that directly relates to a school project or assignment.

Damage/Liability

Users may be responsible for compensating the school district for any losses, costs or damages incurred for violations of Board policies/procedures and school rules, including the cost of investigating such violations. The school district assumes no responsibility for any unauthorized charges or costs incurred by users while using school district computers, devices, or the school network.

Expectation of Privacy

No right of privacy exists in the use of technological resources provided by the school. School system administrators or individuals designated by the Superintendent may review files, internet history logs, monitor communications/content activities, and intercept email messages to maintain system integrity and to ensure compliance with board policy and applicable laws and regulations. School system personnel shall monitor online activities of individuals who access the internet via school owned computers.

Terms of Use

Baldwin County Schools reserves the right to deny, revoke or suspend specific user privileges and/or take other disciplinary action, including suspensions or expulsion from school, for violations of this policy. District and technology administration reserves the right to examine, use and disclose any data found in the district network and/or equipment in order to further the health, safety, discipline or security of the school community. Additionally, all handbook regulations apply to the use of the district network, internet, and electronic resources.

Disclaimer

Baldwin County Schools, its employees and agents, make no warranties of any kind, neither expressed nor implied, concerning the network, internet access, and electronic resources it is providing. Furthermore, the district is not responsible for:

- The accuracy, nature, quality, or privacy of information stored on local servers or devices or information gathered through internet access.
- Any damages suffered by a user (whether the cause is accidental or not) including but not limited to, loss of data, delays or interruptions in service, and the infection of viruses or other malware on personal computers or other devices.
- Unauthorized financial obligations resulting from the use of BCSD electronic resources.

6. Alert a teacher or other staff member if I see threatening, inappropriate, or harmful content (images, messages, and posts) online.
7. Use school technologies at appropriate times and in approved places, for educational pursuits.
Cite sources when using online sites and resources for research.
8. Recognize that use of school technologies is a privilege and treat it as such.
Be cautious to protect the safety of others and myself.
9. Help to protect the security of school resources.

Examples of Unacceptable Use

I will not:

1. Use school technologies in a way that could be personally or physically harmful
2. Attempt to find inappropriate images or content; intent to seek inappropriate images or content is a violation of this Responsible Use Policy.
3. Create a personal mobile “hot-spot” or utilize a “proxy site” for the purpose of circumventing network safety measures and filtering tools.
4. Create, distribute or deploy multi-user servers or gaming software on or within the MPS network.
5. Engage in cyberbullying, harassment, or disrespectful conduct toward others.
6. Try to find ways to circumvent the school’s safety measures and filtering tools; intent to circumvent safety measures and filtering tools is a violation of this Responsible Use Policy.

11. Use language online that would be unacceptable in the classroom.
12. Use school technologies for illegal activities or to pursue information on such activities.
13. Attempt to hack or access sites, servers, or content that isn’t intended for my use. This is not intended to be an exhaustive list. Users should use their own good judgment when using school technologies.

CIPA

Baldwin County Schools is in compliance with the Children’s Internet Protection Act (CIPA) and has installed technology protection measures for all computers in the school corporation. A technology protection measure is in place that blocks or filters internet access. This filter protects against access by adults and minors to visual depictions that are obscene, child pornography, or — with respect to use of computers with internet access by minors — harmful to minors. The content filter does monitor the online activities of minors and may be reviewed when deemed necessary.

The district has the right to place reasonable restrictions on the material you access or post through the system. Students who violate the RUP will be subject to student disciplinary code outlined in the Medford Student/Parent handbooks.

The Acceptable Use Policy (AUP) applies to:

School-owned technology on the district internet/network, on non-school networks and offline

Privately owned technology that is connected to the district internet/network and on privately owned networks while on school property

BCSD Student Device Policies and Procedures

Chromebook Distribution

Parents/Guardians must sign that they have read and understand the BCSD Chromebook User Policy before a device can be issued to their child. Students and parents will be responsible for the care of the device throughout the school year. All students will be expected to use a school-issued Chromebook during the school day.

Chromebook Distribution

- Kindergarten through 2nd-grade students will be assigned a device that may be taken from class to class but will not be taken home. Each K-2 teacher will have a cart to store and charge these devices.
- Third through Fifth-grade students may leave their devices at school unless the parent wishes for their child to bring the device home. **If you want your child to bring his/her Chromebook home, please request a Chromebook Release Form from his/her teacher.**
- Sixth through 12th-grade students will be assigned a device and a power cord. These devices will be taken home daily and should be brought to school fully charged and ready for the day. **The charging cord should be left at home. Bringing the cord to school increases the risk of loss. Lost or damaged cords are \$35. If a student comes to school without a charged device, he/she will receive bookwork for the day and be required to make up missed classwork that evening.**

Chromebook Fees

- All Baldwin County students will be charged a technology fee of \$30 per year. Once the entire fee of \$30 has been paid, the student will be eligible for \$100 worth of accidental damages. **THIS EXCLUDES THE LOSS OF POWER CORDS.** Power cords are \$35.
- Students will be charged for each repair within Infinite Campus. If the repair is covered by the Technology Fee, the fee will still be adjusted accordingly.
- The student will receive a loaner device until the repair is completed and the cost of the repair is paid. **If not paid, the student will continue to use the loaner device.**
- If a device is lost or stolen, the student will have to pay \$350 to replace the device or provide a police report. The Technology Fee does not cover a lost or stolen power cord or Chromebook.

Dear Parents/Guardians and Students,

On behalf of the faculty and staff, we would like to welcome you to the Baldwin County School District for the 2023-2024 school year. We look forward to a new and exciting year.

This handbook was written to communicate school and county policies, procedures, and school activities. We encourage parents/Guardians and students to review it together. If you have any questions, concerns or comments, please feel free to contact us. After you have reviewed it, please sign and return the signature page to your child's teacher.

Communication between school and home is a vital part of a child's education. We encourage parents/guardians to visit the school, volunteer, arrange parent conferences, and attend the many school functions that will occur throughout the year. Parents are expected to update emergency contact information if it changes during the school year.

Our main goal is to provide every child with the best educational opportunities possible. We will continue to strive to set the highest of expectations for our students.

We thank you for your continued support and look forward to working with you this school year.

Sincerely,

Tracy Clark

The withdrawal of a student from the Baldwin County Schools can be completed through the office of the home school. Students must return all books and settle any school debts. Once these obligations are cleared, school records can be forwarded.

MOVING DURING THE YEAR

A student who changes residence during the school year MUST report this change to the school within seven (7) calendar days. Proof of residence must be documented. Children who move out of their school zone after the first month of school may complete the current school year at their original school provided they provide their own transportation in a timely manner so that students are not tardy. Parents wishing to transfer their child to the school in the new zone should report their address change to their current school for a new school assignment.

ATTENDANCE POLICY

Regular attendance at school is an absolute necessity for good student performance. Pursuant to Georgia Law (O.C.G.A. Section 20-2-690.1), all students between the ages of six (6) and sixteen (16) are required to attend school daily unless they have a lawful reason to be absent. Five (5) year old students who are enrolled in a school program for twenty (20) days are automatically covered under the Georgia Compulsory School Attendance Law. Parents/guardians who do not provide for the regular attendance of their children are subject to being taken to court and fined. The Baldwin County Attendance Policy is written according to this Georgia law.

SCHOOL HOURS

	Start Time	Ending Time
Elementary-	7:45 a.m.	2:45 p.m.
Middle School-	8:15 a.m.	3:15 p.m.
High School-	8:15 a.m.	3:15 p.m.

EARLY CHECKOUT

All children should remain in school until regular dismissal time so that maximum instruction can be provided. If early dismissal is necessary on an occasional basis (emergency, doctor's appointment), **a parent or guardian must report to the school office to sign out the child no later than 2:00 p.m.** Children will not be dismissed prior to 2:45 p. m. on a regular basis. If someone other than a parent/ guardian is picking up a student, this individual's name needs to be listed on the student information sheet.

ABSENCES

Students are excused for sickness, death in the immediate family, or an extreme emergency. To be credited for an excused absence on their return, students must bring a note signed by the parent or guardian. If a student is sent home by the school nurse it will be counted as an excused absence. Students who have received excused absences will be allowed to make up the work. Absences in excess of five (5) days can be excused only with a doctor's statement.

UNEXCUSED ABSENCES

A parent/guardian may submit undocumented excuses for no more than five (5) days per school year. These undocumented absences may be used for days the student is ill, illness of an immediate family member which **necessitates** the absence of the student, and **extreme** family emergencies. A written excuse must be received by the school within three (3) days of the absence(s). The following information must be specified on each excuse:

- The date the excuse is written
- The date(s) and day(s) of the absence(s).
- The reason for the absence(s).
- The signature of the parent or guardian.

****These days may not be used for out of town trips for pleasure or vacation.***

EXCUSED ABSENCES

After a parent has utilized the five undocumented excused days, a statement from a Doctor or a medical facility will be necessary for an absence to be excused. These statements must be received by the school within three (3) days of the student returning to school after an absence(s).

In cases of the death of an immediate family member (mother, father, sister, brother), 5 days will be excused. If the deceased is an extended family member, (Grandparent, aunt, uncle), two (2) days will be allowed. If the deceased lives out of state no more than four (4) days will be allowed.

TARDIES

A child who is a car rider is tardy when he/she arrives at school after 7:45 a. m. A student may have no more than 4 unexcused tardies to have perfect attendance. If the bus arrives late, bus riders are not counted tardy.

**Please Note – Unexcused tardies and early checkouts are considered in accordance with the Georgia Compulsory School Attendance Law.*

Referral Process for Grades K-5

According to Georgia Law, the School System is required to provide a written summary of possible consequences and penalties for failing to comply with compulsory attendance under O.C.G.A. Section 20-2-690.1. This requirement is fulfilled by the information included in this section of this Handbook. The parent or guardian is required to sign the signature page of this handbook and the signature indicates acknowledgement of the receipt of this written statement. This signature also indicates the parent/guardian has read and agrees to abide by the Baldwin County Attendance Policy. Any student who is ten (10) years of age or older by September 1st is also required to sign this statement indicating the receipt of this information.

After two (2) reasonable attempts by the school to secure such signature or signatures, the school shall be considered to be in legal compliance if it sends a copy of the statement via certified mail, return receipt requested, to the parent/guardian. The signed copies of the statement shall be retained by the school through the end of the school year.

At three (3) unexcused absences in grades K-5, the school shall contact the parent/guardian and shall document the contact or the attempts to contact the parent/guardian.

At five (5) unexcused absences in grades K-5, the school shall make a referral to the System Attendance Officer. The System Attendance Officer shall send a notice to the parents/guardians by certified mail, return receipt requested. This notice shall include a written summary of the possible consequences and penalties for failing to comply with the Georgia Compulsory Attendance law. The Attendance Officer may refer students with five (5) unexcused absences to the school social worker and/or to the Attendance Support Team at the school level. The parent/guardian is required to participate in the Attendance Support Team Meeting. Failure of a parent/guardian to attend and participate in the Attendance Support Team Meeting will be considered as non-compliance. Referrals may also be made to the Department of Family and Children's Services or to the Baldwin County Interagency Council.

If the attendance problem is not resolved after these efforts, legal action will be taken against the parent/guardian or other caretaker responsible for the care of the children. Any parent/guardian or caretaker of any school age child who violates the Georgia Compulsory School Attendance Law (20-2-690.1) shall be guilty of a misdemeanor and upon conviction, shall be subject to fines not less than \$25.00 and not greater than \$100.00 per day (for each day over five (5) unexcused absences), imprisonment not to exceed 30 days, community service, or any combination of such penalties, at the discretion of the Court having jurisdiction.

SIGN IN/SIGN OUT POLICY

The adult signing a student in or out of school must come into the main office, must show photo ID, and must be listed as an approved person to check the student out.

CAR RIDERS

Afternoon Pick-up Procedure

If your child is an afternoon car rider, please note the following rules/procedures. These procedures will ensure the safety of our students.

- Students may not be signed out after 2:00 PM.

- Parents are to remain in their cars to pick their children up from car riders. Please do not get out of your car and come to the door for your child.

- Have your child's pick-up tag ready. The student will be escorted to your car

- Please do not pull up and block the car rider lanes of traffic.

- Teachers monitor car riders until 3:15 pm; please, pick up your child by 3:15 p. m.

Any change in the normal transportation of your child should be noted in writing and given to your child's homeroom teacher. For the safety of your child, avoid calling and leaving messages regarding transportation. The office will not accept transportation changes **after 1:30 p.m.** Please do not call the office after this time.

BUS RIDERS

Bus transportation is a privilege and furnished for students living more than 1 1/2 miles from school. If your child is transported to and/or from school by bus, please make sure the child knows the bus number.

Information regarding bus routes can be obtained from the school bus garage at 457-2405 or 457-2406. Students riding buses should adhere to the following rules:

- Sit quietly and remain seated until instructed to unload.
- Keep all body parts inside the bus at all times.
- Carry only school related items on the bus.
- Cooperate with drivers at all times.

Bus drivers are responsible for the safety of all students and may assign seats or set particular rules for their buses. Students not cooperating with bus procedures may be denied bus riding privileges for a period of time to be determined by the principal. In this event, the parent/guardian must provide student transportation.

CHANGE IN TRANSPORTATION

To ensure the safety of all children, a written note is required if there is a change in your child's transportation. Teachers cannot accept a child's verbal expression regarding a change in transportation. Students without a note will be sent home by bus.

Please avoid phoning the school (except in an emergency) regarding transportation changes. Any changes in transportation must be made before 1:30 PM. The task of getting individual messages to such a large student population is extremely difficult.

FIRST AID/ILLNESS

If a child becomes sick or hurt at school, every effort will be made to contact the parent/guardian. Up-to-date emergency phone numbers should be made available to the school. If a parent/guardian cannot be contacted, school officials will take whatever means necessary to preserve the health of the child.

Parents of any child with health problems which might cause a health emergency should be certain to notify the school of the problem and the procedures that would need to be followed should the child become ill at school.

EMERGENCY CONTACTS

In the interest of students, it is critical that the school be able to contact parents at any time the child is at school. Therefore, it is essential that the school have on file the parent's current address and home and business telephone numbers in case a parent cannot be reached. If parents move or change jobs, they should contact the school immediately to update this important information.

MEDICINE

If your child requires medication during the school day, please complete the required form. All medications (over-the-counter drugs and prescription drugs) must be in the original container and brought to school by the parent/guardian. Containers for prescription drugs must bear the name of the patient, the drug, the prescribing physician, and the name of the pharmacy filling the prescription. Medication cannot be administered if the medication is not in the original container or without written permission.

HEAD LICE / COMMUNICABLE DISEASES

Students with head lice or nits and communicable diseases such as ringworm, pinkeye, and impetigo should not attend school until a statement is obtained from a physician, health department official, or school nurse that the student is under treatment for the condition and may return to school. (No waiver will be accepted). In the case of head lice, a medical statement must be received for every day over two (2) days that a student has not been cleared of nits.

Students sent to school with these conditions will be sent home immediately upon notification of parent or guardian. Students will only be admitted to school with consent from the health department, doctor, or school nurse.

SCHOOL INSURANCE

Low cost accident insurance is available at the beginning of the school year for interested parents. Both school day coverage and 24 hour coverage are available. Accident claim forms may be obtained from the school office for this insurance. The parent is responsible for filing claims.

HOSPITAL / HOMEBOUND

A teacher will be provided by the Baldwin County Board of Education to provide instruction for any student confined to home or the hospital with a non-contagious illness (as certified by the attending physician). The student's regular teachers will provide the hospital/homebound teacher with the student's daily assignments so that the student may keep up with class work. Students will not be counted absent when enrolled in the homebound program. Forms for enrolling in this program may be obtained from the office and must be completed by the attending physician and the parent.

VOLUNTEERS

Adult volunteers are needed throughout our schools. If you have a few “free” hours during the week and you enjoy working with children, please visit our school office and **complete a volunteer application and background check.**

TELEPHONE USE

The school telephone is restricted to emergency use only. Students must have written permission from a teacher before being allowed to phone home. Our school population and staff are much too large to permit unwarranted use. Parents also need to keep this in mind when calling the school regarding messages for students. Please do not call unless the message is an emergency. Thanks!

VALUABLE PERSONAL PROPERTY

Students should bring only personal items necessary for class participation and/or extracurricular activities. Large sums of money are not recommended. Items that are considered potentially dangerous or disruptive will be confiscated. The school is **NOT RESPONSIBLE** for any valuables that are lost or stolen.

VISITORS

We invite parents/guardians to visit the school and observe in their child's classroom by prearrangement with the classroom teacher. All visitors to the school must report first to the main office to receive a visitor's pass. Parents should not bring younger siblings or children with them for a conference or observation. Please refrain from using your personal cell phone while in the school building. Classroom visits should be limited to a maximum of 60 minutes. If you have items to bring to a student, we ask that you drop them off in the office. Parents may schedule conferences with teachers in advance. In the event of an emergency, parents will need to see an administrator.

EMERGENCIES

Please note **that all children should have an emergency phone number on file** in the event that a parent or guardian cannot be reached in an emergency situation. If this number should change during the school year please inform your child's teacher. School employees are authorized to administer first aid in a health emergency. Using emergency information on file in the office, the school will contact the student's parents and arrange, if necessary, additional care.

For the student's protection, the school requires every student to provide the school office with emergency information (specific allergies, work phones of parents, persons to contact in an emergency, doctor's name, etc.). It is important that this information is up-to-date. Please report any changes in this information to the school nurse.

All classes are involved in field trips at various times during the school year. Permission forms will be sent home for parent signature prior to each trip. Parent/Guardian permission is required before a child can participate in a field trip; therefore, failure to secure parental permission for the trip will result in lack of participation for that child. ACADEMIC PLACEMENT AND PROMOTION

The Baldwin County Board of Education establishes the following criteria to guide the academic placement and promotion of students within the Baldwin County School District and to assure that these same students obtain maximum academic growth as they progress through the schools in this district.

*****Due to the development of a new state assessment, the criteria for promotion may be revised*****

I. General Provisions

Students in the Baldwin County School District may be promoted to the next higher grade level upon meeting the promotion criteria as established by the Baldwin County Board of Education and the State Department of Education in accordance with the Official Code of Georgia. Placement and promotion decisions shall be documented and made a part of each student's permanent record.

II. Definitions

A. Accelerated instruction – challenging instructional activities that are intensely focused on student academic deficiencies in reading and/or mathematics. This accelerated instruction is designed to enable a student who has not achieved grade level, as defined by the Office of Student Achievement, to meet grade-level standards in a reduced period of time.

B. Additional instruction – academic instruction beyond regularly scheduled academic classes designed to bring students not performing on grade level, as defined by the Office of Student Achievement and the Baldwin County Board of Education, to grade level performance. It may include more instructional time allocated during the school day, instruction before and after the school day, Saturday instruction, and/or summer/intersession instruction.

C. Differentiated instruction – instructional strategies designed to meet individual student learning needs.

D. Grade level – standard of performance, as defined by the Office of Student Achievement on the state mandated test and the Baldwin County Board of Education on criteria developed by the Baldwin County School District.

E. Placement – the assignment of a student to a specific grade level based on the determination that such placement will most likely provide the student with instruction and other services needed to succeed and progress to the next higher level of academic achievement in the least amount of time.

F. Placement committee – the committee established by the local school principal or designee to make placement decisions concerning a student who does not meet expectations on the state mandated test and placement/promotion policy(s) of the Baldwin County School District. The placement committee shall be composed of the principal or designee, the student's parent or guardian, and the teacher(s) in the content area(s), Individualized Educational Program (IEP) Teams assigned to students in the Programs for Exceptional Children in which the student did not achieve grade level as defined (d.) above.

G. Promotion – the assignment of a student to a higher grade level based on the student's achievement of established criteria in the current grade.

H. Retention – the re-assignment of a student to the current grade level during the next school year.

III. General Promotion Standards and Criteria

A. No student may be retained solely for athletic purposes.

B. Individualized Educational Program (IEP) Teams shall be responsible for determining how students assigned to the Programs for Exceptional Children are involved in the curriculum and for defining the necessary accommodations that must be made so each student may make progress and participate in regular assessment programs. Students whose instruction is based on an alternate, functional curriculum shall be eligible to participate in the Georgia Alternate Assessment (GAA) program and their promotion/retention will be determined by the IEP Team.

C. An English Learner (EL) student may be administratively placed in the next higher grade, provided the EL Testing Participation Committee has determined that failure to meet promotion criteria is related to the lack of English language skills. An English Learner student is defined as any student whose primary or home language is other than English and is eligible for services under policy IDDG (Language Assistance).

IV. Placement and Promotion in Grades Kindergarten Through Eight

A. Kindergarten-second grade: To be promoted from kindergarten to first grade or first grade to second grade, students must be meeting all priority standards and must meet 70% of the other standards in each subject area and must be meeting or progressing in all designated standards.

B. In grades three (3) through eight (8) students can fail no more than one (1) academic subject (reading, language arts, math, science, social studies) and be promoted to the next higher grade.

1. Students may not be retained in grades K-5 more than two (2) times unless such retention is required by state law or G.B.O.E. Rule.

*****Due to the development of a new state assessment, the criteria for promotion and retention may be revised*****

ADA GRIEVANCE PROCEDURE

The Baldwin County Board of Education has adopted an internal grievance procedure providing for prompt and equitable resolution of complaints alleging any action prohibited by the U. S. Department of Justice regulations implementing Title II of the Americans with Disabilities Act. Title II states, in part, that "no otherwise qualified disabled individual shall, solely by reason of such disability, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination" in programs or activities sponsored by a public entity. Complaints should be addressed to the Director of Programs for Exceptional Children, who has been designated to coordinate ADA compliance efforts.

- Complaints should be filed in writing or verbally, contain the name and address of the person filing it, and briefly describe the alleged violation of the regulations.
- A complaint should be filed within ten (10) days after the complainant becomes aware of the alleged violation. (Processing of allegations of discrimination which occurred will be considered on a case-by-case basis.)
- An investigation, as may be appropriate, shall follow a filing of complaint. A local school representative shall conduct the investigation. These rules contemplate informal but thorough investigations affording all interested persons and their representatives, if any, an opportunity to submit evidence relevant to a complaint.
- Under the Department of Justice regulations, the Baldwin County Board of Education needs not process complaints from applicants for employment or from applicants for admission to post-secondary educational institutions.
- A written determination as to the validity of the complaint and description of the resolution, if any, shall be issued by the Director of Programs for Exceptional Children and a copy forwarded to the complainant no later than ten (10) days after its filing.
- The ADA coordinator shall maintain the files and records of the Baldwin County Board of Education relating to the complaints filed.
- The complainant can request a reconsideration of the case in instances where he or she is dissatisfied with the resolution. The request for reconsideration should be made within ten (10) days to the Superintendent of Schools.
- The right of a person to a prompt and equitable resolution of the complaint filed hereunder shall not be impaired by the person's pursuit of other remedies such as the filing of an ADA complaint with the responsible federal government or agency. Use of this grievance procedure is not a prerequisite to the pursuit of other remedies.
- These rules can be construed to protect the substantive rights of interested persons to meet appropriate due process standards, and to assure that the Baldwin County Board of Education complies with the ADA and implementing regulations.

HOMELESS STUDENTS

Notification of Rights under the McKinney-Vento Act

The McKinney-Vento Homeless Education Assistance Act is designed to address the problems that homeless children and youth have faced in enrolling, attending, and succeeding in school.

If your family lives in one of the following situations:

1. In a shelter, motel, vehicle or campground
2. On the street
3. In an abandoned building, trailer, or other inadequate accommodations, or
4. Doubled up with friends or relatives because of a lack of affordable housing

Then the school aged children in your family have a right to:

1. Go to school no matter where they live or how long they have lived there
2. Continue in the school they attended before the family became homeless, if that is the parent's choice and it is feasible
3. Receive transportation to the school they attended before your family became homeless
4. Participate in school programs with children who are not homeless
5. Enroll in school without giving a permanent address
6. Enroll and attend classes while the school arranges for the transfer of any records or documents required for enrollment
7. Receive the same special programs and services as all other children

Inquiries concerning educational services for homeless students in this school system may be submitted to the district's social worker/Homeless Liaison.

PROCEDURE TO RESOLVE PARENT / TEACHER DISAGREEMENTS

Occasionally academic or discipline problems may arise. School staff members are there to help resolve these difficulties. Frequently, a phone call or conference is all that is necessary. The school office will be happy to arrange for a teacher to call, or the school office will set up a conference with a school staff member.

- When a complaint concerns a policy or procedure the first step is to discuss it in conference with the school principal.
- If the problem is not resolved as a result of the conference with the principal, it may be appealed to the Superintendent of Schools.

PARENT INVOLVEMENT POLICY

In support of strengthening student academic achievement, **Baldwin County School District** receives Title I, Part A funds and therefore must jointly develop with, agree on with, and distribute to parents and family members of participating children a written parent and family engagement policy that contains information required by section 1116(b) and (c) of the Every Student Succeeds Act (ESSA). The policy establishes the school's expectations for parent and family engagement and describes how the school will implement a number of specific parent and family engagement activities, and it is incorporated into the school's plan submitted to the local educational agency (LEA).

PARENTS' RIGHT TO KNOW

In Georgia, all LEA schools are required to notify parents at the beginning of the school year of their 'right to know' the professional qualifications of the student's classroom teacher(s) and paraprofessional(s).

In compliance with the requirements of the Every Student Succeeds Act, parents may request the following information:

1. Whether the student's teacher-
 - has met the State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or other provisional status through which state qualification or licensing certification criteria have been waived; and
 - is teaching in the field of discipline of the certification of the teacher.
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

SECTION 504

Section 504 of the Rehabilitation Act of 1973, as amended, is designed to eliminate discrimination based on disability in any program or activity receiving federal financial assistance. This act requires that no qualified student who demonstrates (1) a physical or mental impairment, (2) that substantially limits, (3) one or more major life activities, (i.e. self-care, performing manual tasks, walking, seeing, hearing, speaking, breathing, working, learning, eating, sleeping, standing, lifting, bending, reading, concentrating, thinking, operation of a major bodily function, and communicating) shall be excluded from participation in, be denied the benefit of, or be subject to discrimination in any program or activity offered by Baldwin County School District (the "District").

Each student who is determined to have a disability under Section 504 has the right to an appropriate education to meet his or her individual educational needs as adequately as the needs of non-disabled students.

While services provided to qualified students are not required to produce identical results or levels of achievement with nondisabled peers, services must be designed to offer an equal opportunity to gain the same benefit within the least restrictive environment with non-disabled peers to the maximum extent appropriate.

If it is determined that a student is eligible for special education, special educational services will be provided under the Individuals with Disabilities Education Act (IDEA) through an Individualized Education Plan (IEP).

Please see the Notice of Parent and Student Rights for more information. You may also contact Allen Martin, Section 504 Coordinator and ADA Coordinator with any questions at (478) 457-2916.

To request the school district to amend a record, parents or eligible students should write to the school principal, specify the part of the record they want changed, and specify why it is inaccurate, misleading, or otherwise in violation of the student's privacy or other rights. If the district decides not to amend the record, it will notify the parents or eligible students of the decision and inform them of their right to a hearing. Additional information regarding the hearing procedure will be provided with the notification of the right to a hearing.

CHILD ABUSE AND NEGLECT: MANDATORY REPORTING REQUIREMENTS

The Baldwin County School District is committed to providing the best possible and most appropriate learning experiences for all children. Occasionally, there are factors in a student's appearance and behavior that lead to suspicions of child abuse or neglect. Georgia law requires that all educators and other school employees, including volunteers, report suspected abuse or neglect to the proper authorities in order that children may be protected from harm and the family may be helped.

School District policy supports Georgia laws in this regard and requires that all school staff report suspected or alleged abuse and neglect to the Department of Family and Children's Services and local law enforcement officials. At all times, the intent is to protect children from harm by providing services to maintain and strengthen the child's own family. Should you have questions regarding the information in this notice, feel free to discuss them with appropriate staff in your child's school.

**Baldwin County School District
Elementary Student
Code of Conduct
2023-2024**

Students and parents should recognize their responsibility to know the contents of this discipline Handbook and to ask faculty or staff members for any clarification. The Baldwin County Board of Education does not discriminate on the basis of race, religion, color, sex, sexual orientation, gender identity, age, national origin, handicap, or disability in its educational programs, activities, or employment decisions.

Why do we have a code of conduct?

It is the policy of the Baldwin County Board of Education (Board) that each school within this school district shall develop and implement age-appropriate student codes of conduct designed to improve the student learning environment and which will comply with state law and State Board of Education Rules. At a minimum, each code of conduct shall include the following:

1. Standards of student behavior during school hours, at school related functions, on school buses and at school bus stops designed to create the expectation that students will behave themselves in such a way as to facilitate a learning environment for themselves and other students. The standards should also be designed to encourage students to respect each other and school district employees, to motivate students to obey student behavior policies adopted by the Board and to obey student behavior rules established at each school within this school district;
2. Behavior support processes designed to consider, as appropriate in light of the severity of the behavioral problem, support services available at each school, the school system and other public entities or community organizations which may assist students to address behavioral problems;
3. Progressive discipline processes designed to create the expectation that the degree of discipline imposed by each school will be in proportion to the severity of the behavior of a particular student, the previous discipline history of the student and other relevant factors, while ensuring that each student receives the due process mandated by federal and state law;
4. Parental involvement processes designed to enable parents, guardians, teachers and school administrators to work together to improve and enhance student behavior and academic performance. The process should enable parents, guardians and school employees to communicate freely their concerns about student behaviors that detract from the learning environment; and
5. All other specific requirements as set forth in any existing State Board of Education Rule or in Georgia law.

The principal is the designated leader of the school and in concert with the staff is responsible for the orderly operation of the school. In cases of disruptive, disorderly, or dangerous conduct not covered in this Code of Conduct the principal may undertake corrective measures, which he/she believes to be in the best interest of the student, and the school, provided any such action does not violate school board policy or procedures. The Superintendent fully supports the authority of principals and teachers in the school system to remove a student from the classroom pursuant to provisions of state law.

Statement of Purpose

The purpose of this Code of Student Conduct is as follows:

1. To ensure an environment for learning which is protected from interruption and harassment;
2. To provide information to students and parents about the school system's rules of conduct and possible penalties for violations of these rules;
3. To provide uniform administration of discipline in the schools; and
4. To inform students and parents of when and under what circumstances the Code of Student Conduct applies.

As noted, these rules are designed to notify students of the types and range of behaviors that are unacceptable. However, it is not possible to specifically list every particular type of misconduct that is prohibited. Even though a particular type of misconduct is not listed as prohibited behavior, a student may nonetheless be punished for misbehavior that is criminal, threatens safety, or is substantially disruptive.

When the Code of Student Conduct Applies

The rules contained in the Code of Student Conduct apply both during and outside normal school hours to students who are:

- A. On school property, including at a designated school bus stop;
- B. Off school property while attending a school-related activity, function, or event;
- C. While using a school issued device in violation of the Code of Conduct;
- D. In route to or from school or school related activities;
- E. Off school property but who engage in conduct which could result in the student being criminally charged with a felony and which makes the student's continued presence at school a potential danger to the health or safety of others or which would disrupt the educational process; or
- F. Off-campus but who engage in expressive conduct (e.g., text messaging, internet posting) which, the student promotes or distributes while the student is on school property or at a school-related activity, or which causes, or reasonably threatens to cause, a risk of material and substantial disruption to the orderly operation of the school.

EXPECTED BEHAVIOR What Students Should Do

Expected behavior is that behavior which promotes learning and is appropriate under the circumstances.

Students should:

Participate Fully in the Learning Process: Students should report to school and class on time, attend all regularly scheduled classes, remain in class until excused or dismissed, pay attention to instruction, complete assignments to the best of their ability, and ask for help when needed.

Avoid Behavior That Impairs Their Own or Other Students' Educational Achievement: Students should know and avoid the behaviors prohibited by this Code, take care of their books and other instructional materials, and cooperate with others.

Show Respect for the Knowledge and Authority of Teachers, Administrators, and Other School Personnel: Students must obey directions, use acceptable and courteous language, and avoid being rude or disrespectful, and follow school rules and procedures.

Recognize and Respect the Rights of Other Students: All students should show concern for and encouragement of the educational achievements and efforts of others.

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS

Positive School Climate

Baldwin County School District has a focus on implementing Positive Behavior Interventions & Supports (PBIS) district wide. Every Baldwin County school has developed an individual PBIS plan to ensure equitable practices in creating a positive school climate. The PBIS process is an evidence-based framework that assists school teams in implementing systems change. The primary goal of the PBIS framework is to help schools design effective environments that increase teaching and learning for all students. Through a problem-solving approach, the PBIS framework begins with examining and improving the entire school climate. Teams use data to examine the reasons behaviors are occurring and then implement changes and interventions designed to address the identified needs. PBIS is a preventative and proactive system of addressing discipline problems that includes fair and consistent discipline practices.

The following rules are considered *standards of behavior* and are mandatory and shall apply uniformly to ALL students. Chronic Disciplinary Problem Students

Definition: “Chronic Disciplinary Problem Student” means any student who exhibits a behavior pattern which interferes with the learning process of students around him and which is likely to recur. If a teacher or principal determines that a student is a chronic disciplinary problem student, then the principal shall:

1. Notify the student’s parent or guardian as soon as practical. The parent shall be notified by a telephone call and certified mail with a return receipt requested or first class mail.
2. Invite the parent to the school to observe the student in a classroom situation.
3. Give the parent an opportunity to schedule and attend a conference with the principal and/or teacher(s) to devise a disciplinary and behavioral correction plan. (O.C.G.A. § 20-2-765).
4. If not already in the Response to Intervention (RTI) process, the student will be referred to Tier 3.

Before any chronic disciplinary problem student returns from an expulsion, long-term suspension or short-term out-of-school suspension, the principal of the school to which the student is to be re-admitted shall:

1. Request that the parent schedule and attend a conference with the principal so as to devise, update, or modify a disciplinary and behavioral correction plan.
2. At their discretion, invite a teacher, counselor, or other person to attend the conference. Failure of the parent to attend shall not preclude the student from being re-admitted to the school.
3. Ensure that a notation of the conference is placed in the student’s permanent file.
4. The RTI Process will be employed in the readmission process, documented, and a copy placed in the student’s permanent file.

Response to Intervention (RTI)

Response to Intervention is a regular education process for students experiencing problems of an academic, social or behavioral nature in school. RTI involves an interdisciplinary group that works collectively to improve the delivery of instructional services to students as well as serves as a resource for teachers and other educators in the delivery of these services.

Parents may be invited to participate in the meetings to discuss their child’s RTI status and in the development of interventions for their child. Parent participation is encouraged. The RTI documents shall be placed in the student’s permanent file and copies given to all involved. If an RTI plan is utilized as a result of a discipline referral, parents shall receive a copy of the report and information on how to contact the principal.

It is recommended that after five (5) cumulative days of out-of-school suspension, the RTI process be initiated. At this time, consideration of the student’s behavior, lack of response to the behavior correction plan, and lack of response to being removed from the regular program must be considered. When the number of out-of-school suspension days reaches eleven (11) or more in any semester, the RTI process shall be initiated to develop or review the behavior correction plan and document the need for the out-of-school option or alternative educational placement.

DISCIPLINARY ACTIONS & PROCEDURES

1. GENERAL PROVISIONS:

- a) A student whose behavior repeatedly or substantially interferes with the teacher's ability to teach the class, and where such behavior violates this Code of Conduct, may be removed from that class and reassigned to another educational setting. In addition, punishment consistent with the code violation may be imposed.
- b) As part of the disciplinary process, the District will utilize, where appropriate, in light of the severity of the behavioral problem, student support services to help the student address behavioral problems, in addition to other disciplinary measures which may be imposed.
- c) School administrators and teachers will follow a progressive discipline process whenever discipline is to be imposed. However, the degree of the discipline to be imposed for any violation, including the first times a student has committed a discipline infraction, will be in proportion to the severity of the violation.
- d) School administrators and teachers will work together with, and seek the input of, the parents and guardians of students to improve and enhance student behavior. The school district recognizes the important role which parents and guardians play in developing positive behavior and academic performance.

2. SPECIFIC ACTIONS & PROCEDURES:

a) Detention: A student may be required to report either before, during, or after school hours to a specific school location and/or to a specific teacher or school official.

Procedure: The parent/guardian must be notified in writing at least 24 hours before the detention. The notification must explain the reason(s) for the detention and inform the parent/guardian that necessary transportation will be their responsibility.

b) Short Term Suspension: Short term suspension is suspension from school and any school related activity for between one (1) and ten (10) school days. The principal or assistant principal may, at his/her discretion, assign a student to either in-school suspension or out-of-school suspension.

Procedure: The principal or assistant principal shall:

- 1) Tell the student, orally or in writing, the reason for the suspension and give the student an opportunity to tell his/her side of the story;
- 2) Attempt to contact the parent/guardian by telephone to inform them of the suspension; and
- 3) Within one (1) school day after the suspension begins, send the parent/guardian notice by regular mail informing them of the reason(s) for the suspension and of their right to discuss the details of their child's misbehavior with school officials.

A principal or assistant principal may suspend a student without notice of the reason for the suspension or an opportunity to provide an explanation if the student is intoxicated, under the influence of drugs, or where his/her presence otherwise poses a continuing danger to others or a disruption to normal school operations. In such cases, however, the informal hearing outlined above shall occur as soon as practicable.

3. LONG TERM SUSPENSION OR EXPULSION: Long term suspension means the student loses the right to attend school or participate in school activities for more than ten (10) consecutive days.

Expulsion means the student loses the privilege of attending school or participating in school activities for the remainder of the grading period, remainder of the school year, or longer.

Long term suspension and/or expulsion may only be imposed by action of the Disciplinary Hearing Officer, except as provided in cases where a tribunal is required, after the student has been afforded notice, opportunity for hearing, and other procedural rights prior to such expulsion or suspension becoming effective.

Rights of Student Where Long Term Suspension or Expulsion is Recommended:

- a) The right to written notice of the specific charges which have been made against the student;**
- b) The right to a due process hearing;**
- c) The right to be represented by legal counsel at the hearing;**
- d) The right to testify and present witnesses; and**
- e) The right to cross-examine witnesses who testify against the student.**

Procedure:

- 1) The principal or assistant principal must initially recommend long term suspension or expulsion to the Disciplinary Hearing Officer.
- 2) A hearing before the Disciplinary Hearing Officer will be scheduled as soon as possible but not later than ten (10) school days after the student has been removed from school.
- 3) If the hearing date is more than ten (10) school days after the student has been removed from school, and the delay in scheduling is not caused by the student or his parent/guardian, the student will be returned to the school at the end of the ten (10) day period unless, in the judgment of the Disciplinary Hearing Officer, the student's return to school would create a danger to the others or would disrupt the normal operation of the school.
- 4) Written notice will be sent to the parent/guardian by regular mail. This notice shall inform the parent/guardian of the following: the violation alleged; the date, time, and place of the hearing; the names of witnesses; and the punishment recommended. In addition, the notice shall inform them of the right to be represented by legal counsel at the hearing; the right to testify and present witnesses; and the right to cross-examine witnesses presented by the school district, and the procedure to waive their right to a hearing.
- 5) A verbatim electronic or written record of the hearing will be made and will be available to the parent/guardian or legal counsel of the student charged.
- 6) If long term suspension or expulsion is imposed, the parent/guardian will be notified of the decision in writing and of the right to appeal. This notice will be sent by regular mail within ten (10) days of the completion of the hearing.
- 7) If the discipline decision is appealed, as further explained below,, the Superintendent may in his/her discretion temporarily withhold implementation of the suspension or expulsion and return the student to school during the appeal process, but only if this will not endanger others or disrupt normal school operations.

4. PHYSICAL VIOLENCE AGAINST SCHOOL OFFICIALS: A student charged with physical violence as defined in O.C.G.A. § 20-2-751.6 against a teacher, administrator, paraprofessional, school resource officer, bus driver or other school official or employee, including volunteers, shall be referred to a hearing before the Discipline Hearing Officer with the same rights as are afforded a student in the case of a recommendation of long-term suspension or expulsion. If the student is found guilty of an act of physical violence which causes physical harm to another, the student must be expelled and shall be referred to juvenile court with a petition alleging delinquent behavior.

5. VIOLATIONS ON SCHOOL BUS: The parent(s)/guardian(s) of a student engaged in bullying, physical assault or battery on another while on the school bus (or while boarding or departing a school bus) shall, in addition to other discipline which may be imposed, meet with school district officials to form a bus behavior contract which shall provide age-appropriate progressive discipline. When an alleged assault or battery on a school bus driver occurs, the student must have a disciplinary hearing.

6. APPEALS:

a) The decision of the Disciplinary Hearing Officer may be appealed to the Board of Education by the student's parent/guardian. The appeal process begins with a written request for review of the Disciplinary Hearing Officer's decision addressed to the Superintendent of the Baldwin County School District at 110 North ABC Street, Milledgeville Ga. **This request must be made within twenty (20) calendar days of the date of the hearing.**

b) The Board of Education will consider only the record of the hearing before the Disciplinary Hearing Officer. A transcript of that hearing will be made only upon receipt of a letter of appeal to the superintendent. A copy of that transcript will be made available in the office of the Disciplinary Hearing Officer upon request. If a copy of the transcript is desired, the parent/guardian must pay the cost of preparing that copy.

c) The Board of Education has the power to affirm, reverse, or modify the decision of the Disciplinary Hearing Officer. The Board of Education shall render a written decision within ten (10) days excluding weekends and public and legal holidays provided for in O.C.G.A. § 31-4-1.

d) The decision of the Baldwin County Board of Education may be appealed to the State Board of Education. Notice of any such appeal must be filed with the Superintendent of the Baldwin County Schools within thirty (30) calendar days of the date the Baldwin County Board of Education renders its decision. The contents of this notice of appeal and the procedure to be followed before the State Board of Education of Georgia is contained in O.C.G.A. §20-2-1160.

7. ALTERNATIVE EDUCATION SETTING: Where, as the result of a violation of the Code of Student Conduct, a student of middle or high school age is suspended for more than ten (10) days or is expelled, the Superintendent or his/her designee may, instead, permit that student to attend an Alternative Education Setting for the period of suspension or expulsion.

In addition, in the case of a student who chronically violates this Code of Student Conduct, even where individual violations are only minor violations, the Superintendent or his/her designee, upon recommendation of the principal, may impose long-term suspension or expulsion. At the discretion of the superintendent or his/her designee, that student may be permitted to attend an Alternative Education Setting for the period of long-term suspension or expulsion.

8. DISCIPLINE OF STUDENTS WITH DISABILITIES: Those students receiving services under the provisions of the Individuals With Disabilities Education Acts (IDEA) are entitled to certain disciplinary safeguards in addition to the same due process procedures given to regular education students.
