Plan For  
Shared  
Success**  
2023-2024

**What is Title I?**  
Lakeview Academy (LVA) is identified as a Title I school as part of the Every Student Succeeds Act (ESSA). Title I is designed to support State and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents, and families, a written parent and family engagement plan.

**What is it?**

This is a plan that describes how LVA will provide opportunities to improve family engagement to support student learning. LVA values the contributions and involvement of parents and family members to establish an equal partnership for the common goal of improving student achievement.

**How is it revised?**

LVA invites all parents to attend the annual School Forum every spring to review and revise this parent and family engagement policy as well as the school wide plan, our school-parent compact, and the family engagement budget. Additionally parent input and comments regarding the plan are welcome during the school year through online forms, during parent meetings and school activities.

**Who is it for?**

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. Lakeview Academy will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

**Where is it available?**

Lakeview Academy's School-Parent Compact and Family Engagement Policy can be found on the school website and social media. Parents can also retrieve a copy of the plan from the school office or Learning Resource Center.
