Dear Parents/Guardians:

In compliance with the requirements of the Elementary and Secondary Education Act of 1965 as amended through P.L. 114-95, enacted December 10, 2015, Midway Hills Academy would like to inform you that you may request information about the professional qualifications of your student's teacher(s) and paraprofessionals. The following information may be requested:

- Whether the student's teacher:
 - has met state qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
 - is teaching under emergency or another provisional status through which State qualification or licensing criteria have been waived; and
 - is teaching in the discipline field of the teacher's certification.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications. If you wish to request information concerning your child's teachers' and paraprofessionals' qualifications, please contact me or the appropriate staff member. If you have any questions or need any support with your child's schooling.
