Plan Revised August 15, 2018

What is Title I?

Lakeview Primary is identified as a Title I school as part of the Elementary and Secondary Education Act of 1965 (ESEA). Title I is designed to support State and local school reform efforts tied to challenging state academic standards to reinforce and enhance efforts to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support parental involvement. All Title I schools must jointly develop with all parents a written parental involvement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Lakeview Primary will provide opportunities to improve parent engagement to support student learning. Lakeview Primary values the contributions and involvement of parents to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Lakeview Primary will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Lakeview Primary School invited all parents to provide input and suggestions through a survey last spring to review and revise this parental involvement policy, as well as the schoolwide plan, our school-parent compact and the parental involvement budget. Additionally, parent input and comments regarding this plan are welcome during the school year through. The plan is posted on our school Website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. Parents can also give feedback during several parent meetings and activities during the school year.

Who is it for?

All students participating in the Title I, Part A program, and their families, are encouraged and invited to fully participate in the opportunities described in this plan. Lakeview Primary will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the year, the plan is included in the Title 1 Parent Handbook that is given to all students. The plan will also be posted on the school Website.

2018-2019 District Goals

All students will reach high standards at a minimum attaining proficiency or better in reading/language arts and mathematics on the state assessment.

2018-2019 School Goals

Lakeview Primary School will increase the percentage of students reading on grade level by five percentage points as measured by DIBELS for K-1 and RI for 2nd.

Focus Areas

The academic focus area for the 2018-2019 school year will be literacy & math. We are working to increase reading proficiency by concentrating on the following areas:

- Vocabulary Development
- Reading Comprehension
- Writing
- Numeration
- Fluency

School-Parent Compacts

As part of this plan, Lakeview Primary and our families will develop a school-parent compact, which is an agreement that parents, teachers, and students will develop that explains how parents and teachers will work together to make sure all our students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from parents, students, and teachers during the School Forum. The school-parent compacts are sent home with each child.
