

## **Notice of Intent to Submit an Application for 21st Century Community Learning Centers supporting out-of-school time programming**

In accordance with the application instructions from the Georgia Department of Education, the YES Program of Baldwin County hereby submits this Notice of Intent to submit two applications for 21st Century Community Learning Centers After School Programs; Baldwin High School and Lakeview Academy. These submissions will be in partnership with the Baldwin County Board of Education.

The purpose is to provide opportunities for academic enrichment activities during non-school hours or periods when school is not in session, such as before and after school or during summer break, for all qualifying students. 21st CCLC programs also offer students a broad array of additional services, programs and activities that are designed to complement the regular academic program such as youth development activities, counseling programs, arts, music, physical fitness and wellness programs, financial literacy programs, environmental literacy programs, and career and technical programs. 21<sup>st</sup> CCLC programs also offer families opportunities for active and meaningful engagement in their child's education, including opportunities for literacy and related education development.
